# HARVARD'S PLAY IS DISAPPOINTING

## Able to Score But Once on Defensive Frequently

Cambridge, Mass., September 28.—The Harvard varsity eleven made a disappointing showing in its first game of the season to-day, being able to beat the University of Maine only by 1 to 0. Harvard's one touchdown, made in the first period, was the result of some good line plunging, but previously the Cambridge team lost the ball on downs on Maine's seven-yard line, and twice after the score had come, failing to carry the ball ahead until it had been landed at the fifteen-yard line. Once the ball was fumbled, and when another onward march had been stopped, Logan's try for a field goal missed first, the ball being driven along the ground.

Harvard indeed was fortunate that Maine did not score a score. After the Crimson's touchdown Maine rushed steadily from the middle of the field to Harvard's sixteen-yard line, where Sheppard made a forward pass to Dohohue at left end. The play was a fake try for field goal, and the Harvard man was nowhere near the ball as Sheppard threw it toward the goal line.

Joe Tinker to Succeed Chance.  
Chicago, Ill., September 28.—That President Charles W. Murphy, of the Chicago Cubs, took advantage of a remark made by Manager Frank Chance while he was ill last August, and this afternoon announced that Chance had resigned, was the opinion expressed here to-night by friends of the "peerless leader."

Murphy's statements announcing that the Cubs would have a new manager next season contained a bit of conversation between Murphy and his manager, in which the club owner asked Chance if he would manage the Cubs another year and that Chance replied: "I would rather not."

For Chance's successor prophets are naming Joe Turner or Johnny Evers. Murphy's statements said that the new manager would likely be chosen from among the present players.

# BLUES SQUAD IS IMPROVING FAST

## First Game Saturday Against Formidible Medical College of Virginia Eleven.

With ideal weather conditions the football squad of the Richmond Light Infantry Blues, twenty-two in number, yesterday put in two hours' hard work at Byrd Park under the tutelage of Coach "Billy" Stittard. Divided into two teams, the men were put through a stiff signal practice and displayed the snap and vigor of mid-season.

The Blues' first game will be played next Saturday, when they line up against the pigskin warriors of the Medical College of Virginia at Lee Park. The "Bawbones" have a great team and will give the soldier boys a run for their money. By special arrangement with the Virginia Railway and Power Company cars will run to the grounds.

# KINGAN WINS IN PACKERS' LEAGUE

## Armour Defeated for Pennant in Grand Game—Pitchers' Duel

The season of the Packers' League closed last Saturday with Kingan and Armour tied for first place. The tie was played off at Byrd Park yesterday. Kingan winning the game by the score of 3 to 0.

The game was a pitchers' battle between Evans and Cook. Evans, for Kingan, was in fine form, striking out ten men and allowing only one hit. Cook struck out twelve men and allowed five hits. Kingan's whole team played well behind Evans. Evans will make some claim to a team as a good pitcher. Black has caught every game for Kingan during the past season and has been leading the catchers of the league in everything. Beasley, Sale and Phil White deserve special mention for their work during the season.

The score: R. H. E.  
Kingan..... 3 1 1  
Armour..... 0 0 0  
Batteries: Evans and Blank; Cook and Johns. Umpire, Bottoms. Scorer, East. Chief Rooters, Kidd and Redford.

## The Progress of the Abbott Motor Company

Nothing is more indicative of the success of a policy than the visible effects produced by its action. Four years ago the Abbott Motor Company was practically unknown. Today it is known the length and breadth of the land. Thus you will see that in four years time the Abbott Motor Company has had a healthy and consistent growth.

Its product has met with success. The owners have received large values for the prices they paid for Abbott-Detroit cars, and are well satisfied.

In each succeeding year we have made a much better car for approximately the same price; we have used better materials, secured more experienced men—done everything in our power to increase the quality of the output.

We have succeeded. These facts question about it.

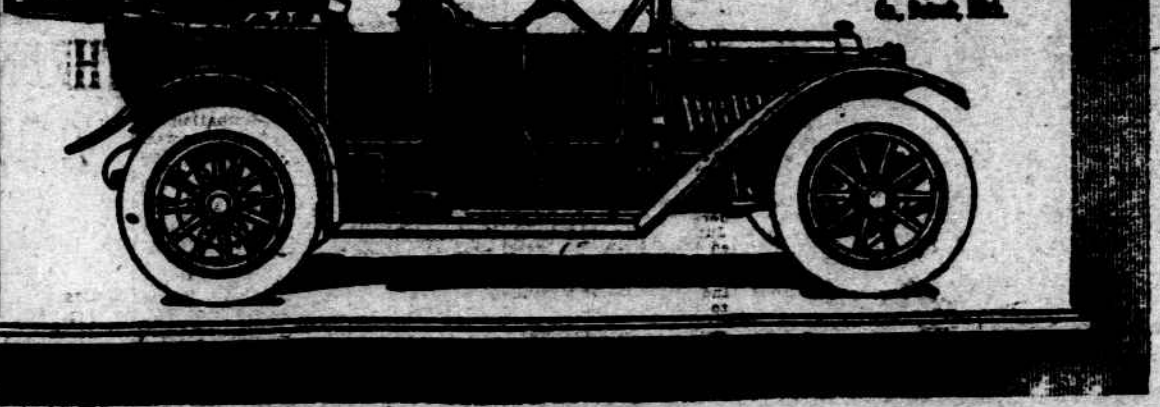

The Abbott-Detroit 44-50 and the Abbott-Detroit 34-40 1913 models offer absolutely the best value in the world for the money.

These cars have been designed along lines suggested by our owners, along the lines of most approved practice.

Local bowlers are fast getting into form for the coming season, and all hands are anxiously waiting for the time to come when they can enjoy themselves at the famous game of pin hitting. All of the alleys have been busy this week with the bowlers who have been trying hard to qualify. The captains have also been on the alert in looking for good men, as every one knows that the Richmond Bowling Association will be one great thing this coming season, and a player must be up to the standard to hold his own in first company. Everything has been improved for the benefit of the bowlers, and there is no excuse now why they should not make good. Many of the amateurs will be in the ranks with the old veterans this year, and it is expected that many of them will shine in the bowling world this year.

Petersburg to Form League.  
The Petersburg bowlers have made a wonderful stride this year and have jumped by leaps and bounds into the Class A division. To-day they have enough good material to form a four-man bowling team. Manager Whitman, club organization. Manager Whitman, is now working hard in forming the new league, and he has associated with him Moore, Lomier and Talmage, two old veterans at the game. From present indications, everything looks like smooth sailing for the new organization.

A meeting has been called for Friday night at the Academy Alleys, where officers will be elected and teams formed and other business of importance to the league. The new organization will be known as the Petersburg Bowling Association, and will be represented by the following teams: Commerce, Cryptus, Olympia and Agriculture. The teams will all be evenly matched and a hard fight is looked forward to.

Petersburg Team South.  
The City Bowling team, composed of employees of the Times-Dispatch, played a very interesting series with the Petersburg team at Petersburg last Wednesday afternoon, although the game was never in doubt, for the Petersburg boys proved to be interesting for the large crowd present.

The Richmond boys were helped before the boys from the Commerce City. Captain Goods played a hard game, and with a little help, his team was aided by a hard game.

Petersburg to Form League.  
The Petersburg bowlers have made a wonderful stride this year and have jumped by leaps and bounds into the Class A division. To-day they have enough good material to form a four-man bowling team. Manager Whitman, club organization. Manager Whitman, is now working hard in forming the new league, and he has associated with him Moore, Lomier and Talmage, two old veterans at the game. From present indications, everything looks like smooth sailing for the new organization.

A meeting has been called for Friday night at the Academy Alleys, where officers will be elected and teams formed and other business of importance to the league. The new organization will be known as the Petersburg Bowling Association, and will be represented by the following teams: Commerce, Cryptus, Olympia and Agriculture. The teams will all be evenly matched and a hard fight is looked forward to.

Petersburg Team South.  
The City Bowling team, composed of employees of the Times-Dispatch, played a very interesting series with the Petersburg team at Petersburg last Wednesday afternoon, although the game was never in doubt, for the Petersburg boys proved to be interesting for the large crowd present.

The Richmond boys were helped before the boys from the Commerce City. Captain Goods played a hard game, and with a little help, his team was aided by a hard game.
